

Join us for an exciting expansion of activities to be implemented from 2012!

The Board of the FSAA has initiated another bold and exciting calendar of activities in 2012 with expansion into both Adelaide and Perth.

The association has gathered significant momentum with industry participants clearly asking for and supporting what has been done to date – now it's time to deliver more for our members!

We will continue to provide those activities that have proven so popular plus initiate a number of new events.

Join us for what promises to be further recognition of our industry!

Breakfast Forums

These very popular forums with key industry presenters will be again held in Melbourne, Sydney and Brisbane, plus now Adelaide and Perth!

National Awards of Excellence

Clearly the showcase event on the Foodservice calendar will be held in Sydney to coincide with Foodservice Australia 2012.

Foodservice Today & Tomorrow Conference

Following the success of our first two conferences, we will again be conducting this one-day opportunity to catch up with what's happening in the industry from senior industry leaders.

Recruitment Portal

Exclusive to members, this provides great opportunity for both companies looking to hire and people seeking a career change.

Charity Golf Day

This fun day will be held in Melbourne during November, with all proceeds again going to an industry related charity.

Viewpoint

In support of local Hospitality training institutions, these lunches are for a small group of people. A special guest is invited to come along and make a short presentation on a relative topic - a wonderful networking opportunity!

Understanding Foodservice

A half-day session covering industry outline and dynamics, matters concerning distributors (both food and equipment), and matters concerning the end user customer. This is a great opportunity for your new staff, or a strong refresher for your current people.

Foodservice Connect

Exclusive to members, this is where we organise visits to Foodservice sites of interest.

Management Mentoring Program

A member-exclusive opportunity for people to be mentored by some of the industry's senior leaders!

Dining Out Data

Consumer data covering a range of matters relevant to our members – an industry first and exclusive to members!

Calendar Available on our Web Site!

Foodservice Suppliers Association Australia

Become Part of a Progressive National Association Representing the Foodservice Industry!

What is the FSAA?

Formed in 2005, the FSAA is a not-for-profit National association representing suppliers to the Foodservice industry.

Our members include suppliers of food, beverages, equipment, distribution, tabletop and services.

Our activities focus on delivering genuine results for members in the areas of networking, education and industry representation.

Vision Statement

The Foodservice Suppliers Association of Australia strives to be the leading service organisation within the Foodservice industry.

Values

We are committed to the professional and personal betterment of all suppliers to the Foodservice industry in Australia.

We are committed to delivering the highest standards available in all aspects of our strategic and operational activities for the benefit of members and the industry.

Innovation will be a key driver of our strategic thinking.

We will provide outstanding internal and external customer service as a priority for our business.

We are committed to improving and supporting our industry and members, and recognising exemplary industry achievements.

We uphold the high principles of corporate and community citizenship.
