

Our First Perth Breakfast Forum!

The Foodservice Suppliers Association Australia is very excited to bring our various Foodservice industry specific activities to Perth – we hope you can join us in what promises to be a promising future!

This presentation will outline the Sealanes business, their history and future plans, the industry challenges they face and how they have implemented technology to improve their systems. You will also get a strong insight into how they have assessed their target markets – not to be missed.

We will also outline to you information relating to the FSAA.

Come along, network, learn and be part of your industry!
