

Foodservice Suppliers Association Australia Sydney Viewpoint

Our first Sydney Viewpoint lunch will be held at Lanzafame, home of one of Australia's celebrated chefs – John Lanzafame!

Join us for a special two course lunch incorporating beverages (not spirits) and hear John's views on food, the restaurant scene and life. His passion will surely inspire you!

John Lanzafame is well recognised for his culinary talents.

Be it as a member of the 2008 Australian Culinary Olympic Team, the 2005 world pizza champion in New York, the former Executive Chef of Hugo's Management, Ampersand and The Commissary Kitchen or a restaurateur in his own right.

His passion has seen him succeed in the ever evolving and competitive food industry. John's love of great, simple food can be seen on his restaurant menus, at his catered functions and in his cooking classes and cook books.

...and with all this experience he still listens to his mother's cooking advice!
